

Session 1: Introduction to law & jurisprudence

23 November, 2020; 5:30 - 7:30 AM UTC

In this session, participants should aim to uncover debates around the nature of law, be able to distinguish between legal systems and institutions, appreciate core constitutional doctrines and synthesize various sources of law. This session will also help participants understand the analysis of legal provisions and jurisprudence with the help of tools, databases and methods to access them.
